MEMORANDUM FOR: See Distribution

STAT

FROM :

[REDACTED]  
Chief, Legislation Division/OLCSUBJECT : H.R. 1222 - A Bill to Require Annual  
Appropriations for all Obligations and  
Expenditures of the Federal Government

1. This proposal appears to be aimed mainly at the problem of unobligated balances. Because of its terms and use of the "notwithstanding any other provision of law" phraseology, however, it warrants close scrutiny in connection with the DCI's section 8(b) expenditure authority and use of the Agency reserve.

2. I would appreciate your advice and comments.
